**Intensive Swimming Scheme—The last day tomorrow!**

This week, students in K-6 have had the opportunity to participate in our annual intensive swimming scheme. Qualified AustSwim teachers assess students and group them based on ability and need. This year we have once again combined with Mayrung and Conargo Public Schools. The Intensive Swimming program is for students in Year 2 and up, with the aim to have students swimming 25 metres in deep water. The program runs for ten days with students learning swimming and water safety skills. We are fortunate enough to be able to take our whole school to the pool each day. I would like to thank our P&C and Murray Irrigation for generously subsidising the program, along with our school funds.

**Things From School**

All Library books, red reader folder, recorders, ukulele and any property of the schools that you have at home please return to school. Any outstanding money is to be paid in full by Friday 13th December.

**End of Year Fun Day**

On Wednesday 18th December 2019 we will be holding our end of year fun day. This year, we have chosen to host the event at our school. Students will participate in craft, cooking and water play activities during the day. Fruit break, recess, and lunch will be provided by the school, students will still need to bring their own drink bottles. Students can come dressed in casual clothes for the day but are asked to bring bathers and a beach towel or a change of clothing for the water play. There will be no cost involved for students. If your child will be away on the day, please let Maree or myself know, for catering purposes.

**Red Eye-Dears- New editions, Coming Soon!**

Once again, we thank Mr. Hogan for the time and effort he has put into running this valuable program for our students and the production of the books. We can all agree that we are beginning to see an improvement in all students writing skills. We look forward to their delivery and reading about all the wonderful adventures.

# Parenting Tips...

Show your child how to become a responsible citizen. Find ways to help others all year. Kids gain a sense of self-worth by volunteering in the community.

SunSmart Snippet

## The simplest way

... to be SunSmart this summer.

Consider UV levels when planning your summer activities.

When UV is 3 or above you need to **PROTECT** your skin in 5 ways:

- **Slip** on sun-protective clothing
- **Slop** on SPF 30 sunscreen or higher
- **Slap** on a broad-brimmed, bucket or legionnaire hat
- **Seek** shade
- **Slide** on some wrap-around sunglasses

Download the free SunSmart app to know what the UV levels are in your location to help plan your summer fun.

**SunSmart App is available on the App Store and Google Play**

To help keep your kids safe in the sun, check your schools SunSmart status by heading to [www.sunsmartnsw.com.au](http://www.sunsmartnsw.com.au)

**Happy Birthday, Addison!**

We hope you had a wonderful day and enjoy your new book! Thank you to our very generous P&C for purchasing a book for each student enrolled at BPS on their birthday!
