Her role will be to support the teaching staff here, to share her knowledge and upskill our students in a range of key learning areas. This week she will be in for three days. Her time this week releases Mrs Hedt to assess students in reading and spelling on their return to school. Welcome to Blighty PS!

### Wednesday Winter Warmers are back!

Students are welcome to bring in an item (e.g. pie, sausage roll, toasted sandwich) wrapped in foil or foil container to pop into the pie warmer at school. Please remember to wrap in foil (not a paper bag) and write your name in texta on the top of your item.

This coming week the students will be focussing on:

reviewing what a growth mindset is. They will be learning that your brain is a muscle that can grow and develop.

# Helpful Tips on Sharing Feedback with your Child

Big Life Journal

## 1. PAUSE BEFORE YOU GIVE FEEDBACK

Take a moment  
REFLECT on the  
NECESSITY  
and INTENT  
of your words

- Is this feedback productive or is this my opinion/complaint?
- What is my goal with this feedback?
- Is it necessary? What would happen if I didn't give it?
