Attached Notes:

Reminders:

- ◆ Winter Warmers
Every Wednesday

Reminders:

- ◆ Music (uke/recorder) -
Monday
- ◆ Sport - Friday
- ◆ Library- K-2 Tuesday
3-6 Friday

Last week we introduced a Chaplain Zoom for parents and a Chaplain small group program on Values. The Chaplain's Zoom will continue this Wednesday, but we will trial the new time of 11am. Send through your emails to the school email address to pass onto to Robyn. This is the best way to receive your Zoom invite!

On Tuesday students enjoyed the Sporting Parliament Group organising Terrific Tuesday. We enjoyed the lunchtime whole school game on the oval. Well done! It's great to be back into usual routines again.

Students below are enjoying their Fun Friday sports session and are honing their sporting skills with practise. We love sport each Friday afternoon!

This coming week the students will be focussing on:

Learning is lifelong. Even teachers are learning...especially things like when to take the turn to school!

We can love learning as children, but don't need to stop as we grow older. Our brains can keep making connections as we grow. We learn to be more understanding, how to be kind and how to care for others.

ICAS Assessments for Year 2-6 are available to purchase by parents online. These tests are optional and are challenging for the year levels. I encourage anyone to give them a go. Testing will be online next term in Weeks 5-7.

Opportunity Schools. If your child is in Year 5 and thinking about going to an Opportunity School in High School in 2022 please call and speak to Mrs Hedt as soon as possible.

Office Hours Maree will be in the office Wednesdays, Thursdays and Fridays. On Mondays and Tuesdays, please try to call at play times 11.25-11.50 and 1:20-2:00 as teachers will be teaching at other times.

Helpful Tips on Sharing Feedback with your Child

Big Life Journal

5. SUPPORT GROWTH MINDSET BY FOCUSING ON THE PROCESS

Growth mindset gives a child the ability to reflect on the feedback they receive, and to evaluate what—if anything—can be learned from it.

Praise

and

Celebrate

↓
THE EFFORT and HARD WORK that went into THEIR SUCCESSES

↓
MISTAKES as an OPPORTUNITY to LEARN

Topics we will be covering in the next week/fortnight:

Mathematics–

Years Kinder to Year 2-Counting forwards and backwards and data

Years 3 and 4– Articulating how to work out a problem (Working Mathematically) and Fractions and Decimals

Years 5 and 6- Fractions and Decimals

Literacy-

Kinder to Year 2- Descriptive writing

Years 3-6 Writing information reports

Welcome to Mr John Flisher who has joined the staff team as our new General Assistant! After years of hard work and dedicated service, Maree is stepping down from her GA role at the school and will continue on in her other role– School Administration Manager. Thank you Maree!

Thank you

This week is Mrs Astill's last week supporting our school as a casual teacher through a COVID– funded initiative. We hope to see you in the future, but sincerely thank you for your flexibility and engaging lessons for this term.

Head Lice

Head lice have gone again, but the 7days are nearly up since you checked for lice.

Do you need to check again?

...wash that hat again?

...treat your children's hair again?

Let the kids choose and cook (or help cook) a healthy recipe. They will be sure to eat their own creations.

Healthy Lunch Box

Coding Activity in the Year 3-6 room.

Last week we enjoyed playing a game that taught us more about coding.

Thanks Mrs Webb for planning this!
